“ We had the blessing of meeting her a couple years ago. Going to your home seeing her smile and tell my kids..come give grandma a hug. Where yall been? Her making us laugh and making jokes about the kids. She loved her some Kyaell. Lol. She will be missed so much. Her warm kisses and hugs. Her smile lit up the room and we loved her dearly. God definitely has a special Angel with him now. We want to be selfish and have her here for you all and us but she is in peace and love now and with the Lord. Rest in Paradise grandma! Love the Simmons family.

“ The kids will definitely miss her fried chicken and sweet potatoa pie. I'm going to miss her phone calls and her saying "you know you dont have to put up with no man stuff". She was a wonderful and caring woman. She will be missed. Peace and blessings goes out to the family

“ Tanika I remember your mom working so hard to provide for you and your siblings. That strength and determination shines in you, Herb, and John. You and your family have my deepest condolences.
