“ *Nora Barnes - grace, class, and leadership exemplified. She was an educator in the truest sense of all she did inside and outside of the school. Education is from the latin 'educare - to draw out' - and that's what Nora did, draw the best from all she worked with, taught and led. As President of ABENY, she helped me on my path of leadership - always paying it forward and lifting as she climbed. I am incredibly grateful as someone who was directly impacted by her - but her impact goes beyond to all that I connect with and everyone who connected with her either by first, second, or third degree. Nora Barnes, rest in peace and power being the change you sought in this world.*

“ Ms. Nora Barnes was a very fine lady and a great school principal. She was extremely knowledgeable, kind, fair, and thoughtful. Ms. Barnes knew her “stuff” professionally, but could engage her staff on a wide variety of topics conversationally. She was a superior principal, and a superb human being. I will always remember her fondly, and so will many other people. Sincerely, Linde Barrera, Aug. 11, 2022.
