Marilyn & Leon, I just found out today (10/6) about Odell's passing. I call her "Odell" because that is what we 3 boys lovingly called her. We all have sweet memories of when she took care of us. She could be stern when she had to, but she protected us from the wrath of Daddy on more than one occasion! Wayne & I remember different stories, but I have heard Daddy repeat a couple of times he remembered when the 3 of us really got under her skin a few times! Wayne and I both have very fond memories of your mom, and she will always have a special place in our hearts. I know you both will miss her greatly, as will her extended family, friends, and those in her church. I just wanted you both to know what a positive affect she had on me at a young age. You are very blessed to have had such a wonderful mother, as I'm sure you're already aware of. God bless you all, and Peace be with you during this time....
