“ I cannot imagine the pain all of you are feeling. I have known Ms. Gibbons since meeting her daughter in the mid 70's. Ms. Gibbons always greeted with me a smile and a hug. I felt like she was a mother to me even though I only saw her when she visited Juanda. Her laughter and the positive energy she always gave me will remain a beautiful memory. However, the best memory was when she was my partner in crime on one of Juanda's birthdays. She sent me some of Juanda's most embarrassing photos, and I had the pleasure of posting them along the very well travelled public streets in Durham. Ms. Gibbons loved it! She loved her daughter, they were one. My thoughts are with all of you.

Peace
