“ To my wonderful and beautiful, best friend Paige. I will truly miss you and I will keep you in my heart always. As you know I was still hoping and having faith that you will be here. In many of our conversations during your time at the hospital on Greensboro, I would play your favorite song-Change Me by Tamela Mann, I would hold your hand and I would make you smile and laugh at something I said. Like I we use to do when we hung out. So you got your wings now, so fly high. You are in the best place in the world. So start dancing and shouting and until you can't stop. 😊 I love you always and forever. 🌻🌻🌹🌹
