“ Pauline was my sister and I will miss her much.
Her memory will always glister in my mind like diamonds and such.
I will miss Pauline with a tear in my eye
but even to good people we eventually say goodbye.
Travel swiftly dear sister I long to hear your laugh
but alas alone we must walk that final path.
I will miss your cooking and the times we shared
I may not have said it enough
but I always cared.
From your baby brother.
