“ Mrs. Lisa Allen-Striggles
As a child growing up, I met my Great-Aunt Pinky at previous Family reunions. I truly was able to connect with her in recent years via telephone conversations, thanks to my Aunt Lula.
She spoke of how she missed my Mother. I maintained contact with her by calling her on weekends. She always conveyed love, smile and laughter over our chats. In conversation, She appeared to be much younger than her years. She imparted wisdom, pride, love, independence and grace. I love and will truly miss her.
Please accept my condolences Family.

“ Mrs. Harold was a joy to be around. Even though she wasn't my grandmother, I consider as such. We used to sit and talk for hours. I will miss her dearly. I know she is happy in the heavenly place with her beloved husband. My heart is sad, but my soul is happy. I love you Grandma!
