“ Hi hon I just want to wish you a Happy 6th year Heavenly Anniversary. I am sorry I missed last year, I was so distraught because Damien left us the same day as you. It's more than I can bear at times but I know you are both watching over us as well as mommy and daddy.

“ Hey babe it's me and I am a year older. I am 67 today. It was a good day. I kept myself busy ,Marion and Kim came by. Things are pretty much done I just have a lot of weeding out to do. I still have to go through your things. Then there are things in the barn and attic that have to be sorted out. Anyway the house is done I know you would love it all. well maybe not all your trees are gone, but don't worry i will fix the yard. I know it has been a long time, but you have no idea how busy I have been. Carolyn, Mirely and the kids wre for the summer, Oh what a time you would have lived it. But I know everything I am telling you you already know because I believe you are watching over us. I miss you still some days are better than others. but the ache is still there . Sometimes I feel fine then there are times it is lurking just under the surface, then there are times it just slam dunks me. I am totally incapacitated and unable to function. It is almost two years and it still feels so fresh at times. I am just trying to find my new life .Remember I said GOD put someone in my path to keep me from totally losing it, well he has been more of a blessing than I could have imagined. I am keeping it real Purnell I like him. I know you know what that must be like for me confusing at times to say the least. Anyway he is a gentleman and has acted as such nothing untoward or disrespectful at all .Well long story short you know I am five years untouched and counting. In all honesty I can at this point imagine myself in companionship type of relationship with benefits. anyhow I am letting you know I have to live, I cannot just survive I have to live. Just know it has nothing to do with what we had that cannot be compared, it is just what it is. I LOVE YOU AND ALWAYS WILL AND I MISS YOU, BUT PURNELL I AM ALIVE !!!!!!! goodnight sweetie talk again soon.

I tried something different I won't know how it looks until I comb it out tomorrow for Sincere's ceremony. He made A honor roll again. In a few weeks we wil find out if he mad it into NCSSM he really want's to go. I know you didn't want him to go ,but it is a great school and it will prepare him for college. You would be so proud of him.He is abig help most of the times, then there are times he is just a regular kid. He is excited about turning 16. He is ready to get a job,and took drivers ed. So you know what the next step is aCAR!!! I'm scared I can't believe he is getting so big and independent. Well rest my dear as always love you with all my heart and soul.*

“ *HI HON ITS ME I KNOW IT HAS BEEN A WHILE. I HAVE BEEN BUSY, BUT THAT DOESN'T MEAN I HAVEN'T THOUGHT ABOUT YOU. NOT A DAY GOES BY THAT I DON'T THINK ABOUT YOU. I MISS YOU SO MUCH. SOMETIMES I STILL CAN'T BELIEVE YOU ARE GONE. WELL THE TREES ARE GONE, THE BATHROOM IS ALMOST DONE, AND THE CARPORT IS COMING ALONG BEAUTIFULLY. THEN THE KITCHEN IS GOING TO BE DONE AND THE FLOORS IN THE BEDROOM DINING ROOM HALL AND LIVING ROOM. IT'S A CHORE AND HARD AT THAT BUT THE END RESULTS WILL BE BEAUTIFUL YOU KNOW ME WHEN I GET TO DECORATING. SCHOOL STARTS SOON AND SINCERE IS ANXIOUS TO GO BACK. HIS INFLAMMATION MARKERS ARE BACK TO NORMAL SO THAT IS GOOD. HOPEFULLY HE WON'T HAVE TO GO ON THE REGIMEN OF INJECTIONS OR INFUSIONS. I CAN'T BELIEVE IT IS ALMOST A YEAR. THE HARDEST ONE I HAVE EVER HAD IN MY LIFE. I THINK OF THE DAY YOU LEFT US AND I STILL REMEMBER AND FEEL EVERYTHING AS IF IT WERE YESTERDAY. I WILL NEVER FORGET HEARING YOUR LAST BREATH AND FEELING YOUR LAST HEARTBEAT IT IS ENGRAVED IN MY MIND AND HEART. I WAS SUPPOSED TO START SEEING A THERAPIST TODAY BUT I CANCELED IT I' NOT READY TO BARE ALL MY PAIN AND GRIEF TO A STRANGER. IF I DON'T GO SOON THE DOCTOR WANT'S TO PUT ME ON MEDICATION FOR DEPRESSION BUT I DON'T WANT TO DO THAT. I JUST KEEP ASKING GOD TO GIVE ME THE STRENGTH TO COPE. I LOVE YOU AND MISS YOU SO MUCH.*

“ Hi baby it's me. It is my first fathers day without you. I kept myself busy. I cooked curried shrimp and rice salmon a salad coleslaw potato salad corn on the cob and knots. Eric and Alex and her friend came. f course Damien his girlfriend Diamond and daddy were here too. It was a nice day. Sincere is in New York visiting his father. They are both excited. Unfortunately he has to come back next Sunday, this flare-up is really bad .He has to have a ppd test next Monday and after that he has to go on a long term regiment of medication. Either he goes to Greenville a couple of times a week or the one he and I both prefer they will teach us how to give him/himself humira injections. I am not looking allforward to it but it is what we have to do. As usual I mss you so much. Well I did had all the pine trees cut down as well as all the others in the back yard. It was a dangerous situation. Now we don't have to worry about one of them falling on the house if there is a bad storm. Next is the bathroom, then the carport. I am fixing her up the way we wanted to afterall. everyone is gone it's just you and me. I MISSYOU SO MUCH JUST LIKE YOU SAID I WOULD. I picked out a headstone for both of us online but Hunter doesn't take deliveries so I have to get one from him. Then as if that wasn't enough I may not be able to get the plot next to you because the church isn't selling plots for future burials only present. Hopefully this can be resolved at the next board meeting t the end of the month. I pray so Carolyn said it didn't matter because we will be together eternally in Heaven . Rest my love you deserve it . ALL MY LOVE AND HAPPY FATHER'S DAY. MARCIA YOUR'S NOW ND FOREVER.

“ well guess who is back?? Its me again crying as usual. I really don't know what to say it's the same thing. I am stuck in a certain mode and can;t get out. I'm still here in n. y. hopefully i will be leaving the weekend after mothers day. I don't mean to disturb you so much but it helps to look at your picture as I write my thoughts and express my grief and pain.I can still remember the sound of your last breath and the feel of your last heartbeat not knowing for a moment they were your last. Your last words on Wednesday at Dr.Pictons office when you heard me crying I thought you were asleep ,but as Dam ien comforted me you turned your head and said" don't worry marcie it's going to be alright '.you never spoke again,just opened your eyes one last time as if to say good-bye to all of us. Now in hindsight i realize you knew what was happening.You knew you were transitioning about a week before. I wish you had told me why you signed yourself out of the hospital the previous weekend, if you had I never would have taken you to that last appointment and you could have made your final transition in the home you worked so hard to provide for us but didn't get the chance to enjoy.I will do my best to do the things we planned on doing. **BUT THE PINE TREES HAVE TO GO!!!!!!!!!!!!** all my love good night

“ Hi hon it's me again. I was listening to the radio all of a sudden I was crying. So I came to talk to you. Carlisa passed i think it was Friday. needless Ladye is totally distraught. Damien is helping her the best he can. It looks like I may be here until the end f April. Sincere went back home today,he is homesick. Damien is there to watch him. I am slowly but surely getting the bathroom things together. I have to get the tub, toilet ,sink hardware ,tile for the floors and walls and whatever supplies te contactor will need. So far I am under budget plus he is going to do some work in our bathroom. I am hoping to go to Jamaica for the holidays. Aunt Sylvia is having a family reunion and invited us to participate. it is going to be in Negril, and of course we have to take daddy to see his sister. Aside from the bathroom it is the only thing I have to look forward to. Beyond a shadow of a doubt this is the most difficult thing I have ever had to face. I JUST CANT BELIEVE YOU ARE GONE. I CAN'T EVEN PICTURE MY LIFE WITHOUT YOU. I FEEL LIKE I AM DROWNING IN A DELUGE OF TEARS AND PAIN. I AM TRYING TO KEEP THINGS NORMAL FOR SINCERE BUT IT IS NOT EASY. THE HOUSE DOESN'T FEEL THE SAME WITHOUT YOU THERE, I AM REALLY JUST A HOT MESS. “ HI hon its me. It is between Christmas and New Years and we are missing you more than you could possibly imagine. I have days that are better than others but the bad days are really bad. I never knew a heart could hurt like this. With mommy I knew she is in that garden she saw. That gave me comfort, but you I can't picture in any particular setting. It's like you are in a void. there are a lot images of you on the sofa, or walking through the house but in all of them you are sick. It's like i can't remember you strong and healthy, unless I look at a picture of you before you got sick. Sometimes i hurt sometimes I am angry or scared. I know it will get easier but right now it is still very fresh and raw. I LOVE AND MISS YOU WITH ALL MY HEART!!!!!!
