“ Teen, nothing prepares you for the loss of a child. Nothing compares to the hurt that you are experiencing. We often hear that time heals all wounds, but no one ever said how much time it will take. Believe me, God is the only one that can ease your pain and sorrow. His Holy Spirit will always be there to comfort, guide and protect you. And I know you, so I know that you are already leaning and depending on Him. If there is anything the Gary family can do for you, please let us know. We are praying for you and we love you with the love of Christ.
