“ *My dear friend, Gail, invited me to spend a Thanksgiving weekend with her "several" years ago while we were students at North Carolina A&T State University in Greensboro, NC. Lol, it felt like the longest car ride of my life! However, that visit afforded me the opportunity to spend time with a family that I love and will never forget! You treated me like family and I appreciate it to this day. Through the years, Mr. Ralph would call me "Barbara", but that was ok, too. My daughter Avian and I extend heartfelt sympathy to the entire family. In your moments of quite or shared reflections, may sweet, loving memories bring smiles to your faces as well as your hearts. God is always there to comfort you!*
