“ *I still can't believe your actually not here on this Earth any longer. One mi d says "She's in a better place now" and the other mind wants to be selfish and still want you here. But only God knows what's best. In my mind I can still see your smile and I can remember your kind heart and warm personality. I can picture you dancing with the Angels in Heaven now...your best dance ever. I missed you on Earth. My heart miss you even more now that you're gone. Rest now. Be at peace.*
