“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.

“ *I met Brantley Sr, through his son Brantley Jr. From the first day I met him he treated me as if I have known him all his life. As I have gotten to know the rest of the Brantley family I was able to see where that easy going and friendly spirit orginated from. I did not know Brantly Sr for very long but I am happy to say that I did get to meet him and I am even happier to say I am grateful for the family he left for the rest of us to enjoy. RIP Brantley Sr, your legacy is secured in your family.*

“ My heart is heavy, Uncle Bobby, was more than a friend, uncle and role model he was like a 2nd father to me, my brother Kevin and sister Hope! There are so many wonderful memories that we will always cherish; coaching me and Butch (Robert JR) to our first little league baseball championship when we were just 10 years old, taking me and Butch to Mets and Yankees baseball games during our youth. Whether it was playing catch, doing Soka Gokkai activities, or Just being that fatherly figure when I needed someone to talk to other than my mom. He was a man's man and a great human being he will be missed dearly. Love ya Unc! To Aunt Liz, Butch, Towwanna, Richelle, Cheryl, Derrick and Michelle please accept our sincere and heart felt condolences; unfortunately I will not be able to attend the services, but I will be there in spirit and I will continue to support you through my daimoku and prayer! Stay strong and Love you guys!

“ From one Veteran to another:

Some times families are not born....they are made. I met Mr. Bobby about 14 years ago when I traveled to New York one Christmas with my extended family Kashida Richberg, Thomas Richberg, and Bridgetta Small (RIP). These 3 individuals cared for me and took me into their home and I instantly became part of their family. Mr. Bobby was just as warm, and inviting. When I arrived to New York he and his wife and family opened their doors to me as if they knew me and I became an instant member of the Brantley family. People like this are rare and come around only once in a lifetime. To the family of Mr. Bobby, I love you guys and don't fret. God needed another angel to help watch over you guys from above. Rest in peace my fellow Veteran. Your work here was well done.
