“ I remember when Aunt Bert and I had discussions on Angel's and she once sent me a photo of an angel that was taken from a plane. I am looking forward to seeing Aunt Bert again, My Father and all family members that passed away as the Bible promises a paradise and resurrection as life events are showing this is to come soon. It makes absolutely no sense that humans just grow old and die. The Bible says " Look! I am creating new heavens and new earth; and the former things will not be called to mind, nor will they come up into the heart." Isiah 65: 13, 17 also 2 Peter 3:13

“ Aunt Bert, words can not express what I feel. I am still trying to grasp the lost the family is feeling. I won't use past tense so I'm going to say you are one of my favorite aunts. I love you and will miss you so much!!! It really hurts that I won't physically see you should I come to visit. It just won't be the same. So auntie, I will leave you with this..It broke the families hearts to loose you, but you didn't go alone, all of us was with you the day god called you home.

“ May you rest in peace Aunt Bert. No more physically suffering. Thank you for all the great loving energy that you radiated - that energy can never die. Coming over to visit you was always fun, playing with JoeJoe, Reagan's mill road, ten mile river, sled riding, eating delicious cooked food. You really took great care of us kids. Never any problems for me at school because of your children: JoeJoe, Tom, Buck, Cook, Booster, and Saucy and Diane. Yall truly laid a foundation for us to learn on. Won't be attending funeral service due to risk of the virus to others. Hope to see family sometime in the future when things settle down. Wishing everyone peace & blessings. Aunt Bert would want us to remain uplifted.
