“ To Ms. Margaret & Family,
Ronnie was one of my best friends if not the best. He was a person that you could always depend on rain, snow, sleet or shine. Ronnie and I have had great moments throughout our 20 year friendship. From our adventures up and down the east coast to the most memorable time of when we went to Jamaica. I remember in Jamaica when we were at a club, Ronnie had left and went back to the hotel and didn't tell anybody. When time to leave, I was calling out his name over and over, I know I was looking real crazy but I wasn't leaving without Ronnie. We have laughed about that incident for years. Though I have not seen him for a while, I can picture him vividly speaking to me with a Tony Mantana accent as that was our favorite character that played in the movie Scarface. I can picture him now saying to me, "All I have in this world are my... and my word and I don't break them for no one." So I say to Ronnie, "The world is yours."##imported-begin##L.
