“ Praying for Mother Rosetta's son and granddaughter. Your Mother was a woman who loved God and the City of Praise. She served faithfully in her church and her community. My special memory of her was how proud she was to participate in Black History programs. Dressed in her "bonnet" and apron she shared the days of her youth. She was such a blessings and hospitality was in abundance. Remember all the precious memories and give God the glory for her life and the seeds she planted in the lives of others.

My condolences to the family of Mother White. Mother White always had an inspirational word to share along with a smile. I always called her the Hat Lady, because she loved to wear her stylish hats. Now she will not her hats, but she will be wearing her heavenly crown. Once again my condolences to the family.
