“ *To The Holley-Fahie Family*

*May your hearts be comforted that Aunt Lil Sis transition was peaceful and quiet, and surrounded by the love of family--an extension of God's embracing love.*

*"Commit your works to the Lord,  
And your thoughts will be established."  
Proverbs 16:3*

*" The circle of existence begins and ends in a single point, the Essence of God, which is perceived by us under the form of extension. The world is 'but a moment, i.e.' a flash of Divine illumination revealing the One as the Many and the Many as the One.'*

*"Every instant the world is being renewed, and we unaware of its perpetual change.  
Life is ever pouring in afresh, though in the body it has the semblance of continuity."*
