“ *Mr Lewis and my father were friends while working at Planter Hardware. Mr Lewis was a warm and kind man and I have though of him often through the years. I remember him showing me how things worked at the store and helped me pick out presents for my mom and dads birthday as a kid. Thank-you for being a part of my life.*

“ *Rudolph was an important part of our life in Murfreesboro. My father, Archie Parker, depended on Rudolph at the hardware store and Rudolph was always willing and available to help my mother once my father died. I remember Rudolph with fond memories as I often would visit or work at the hardware store as a youth. I know I speak for my brothers, David and Dick, in sending our sympathy. My prayers and thoughts are with you. Dianne Parket Kronour*
