“ I had the good fortune to work with Rufus for approximately 15 years, starting with Allied Collids to the early days of BASF. Rufus could always be counted on for a smile and good conversation about motorcycles. He was always looking for ways to improve himself in order to better provide for his family.

I was set back when I learned of your loss. Though this sudden loss is tragic, I'm sure Rufus is looking down on us with that big smile saying don't worry about me, I'll be fine.

Rufus was a good man and will truly be missed. We will be keeping you and the family in our thoughts and prayers. If you need anything or we can be of help in any way, please don't hesitate to give us a call.

With our deepest sympathies,

“ Cathy,
Our deepest sorrow to you and Seddrick for the sudden loss of your husband and father. I knew the easy humor and ready laugh of Rufus for seven years on the ACM Plant at Ciba. Good years that were made better with Rufus' inner strength. He did hate snakes, though. Would turn around and refuse to come to the back when one was on the sidewalk warming up. And we did grow them big in the back! Curtis knows what I'm talking about.

We miss the family that was Allied Colloids. You will be thought of often in the coming months, but time has a way of smoothing the hard edges of pain and sharpening our fond memories of what made Rufus a cherished part of our lives.##imported-begin##John Haynes (Carolyn)##imported-end##

Words cannot express the heartbreak that I have for you guys. It seems like my entire life I have known the Blow family and I hope that God can work to heal the entire family. Rufus was an awesome man who I ALWAYS knew was cheering at those games. Whether it be his words of advise before the game or playing ball with Seddrick from age 5, you guys all have a special spot in my heart and always will. What an amazing man and an amazing memory. Keep your hearts happy and you will all continue to be in my prayers. My love is with you. Seddrick, you had an amazing dad and it was my pleasure to be in the lives of all three of you. “ To the Blow Family,

I had the opportunity to work with Rufus at Allied Colloids/Ciba Specialty Chemical for 15 years and I was sadden to hear of your loss. I remember Rufus as a happy go lucky guy and he was always able to make me laugh even on a not so good day. Today, we may not understand why Rufus was taken from us so soon, but know that God is the peace that passeth all understanding.
