“ *Grandma.... I catch myself about to dial your number several times throughout the day. You raised me to be independent but I still valued your opinion. I have never felt this conflicted before. This is bittersweet; you are no longer battling health issues but you are so dearly missed. I love you and I will continue to make you proud.*

“ Momma, I know that you are looking down on me because I have seen so many signs around me, and felt your presence. But I know to be absent from the body is to be present with God. So until I reach that beautiful city where we will be together again. I LOVE AND MISS YOU SO, SO MUCH.

“ *Mr. Lassiter, Children, Grandchildren, please accept my sincere sympathy during this difficult time. Ruth was a special person and I will miss our telephone conversations very much. I will always remember the times Ruth was there for me when we were at RCCC to help me with banquets, luncheons, and special day events. I considered her a special friend and I will remember her with warmth in my heart and a smile on my face.*

May God Bless The Lassiter Family,

“ *I was saddened to learn of Ruth's passing. I didn't know her as well as others did; but it was always a delight to chat with her when she took my order. She seemed to be a very happy and personable individual. My condolences to her family.*
