“ My sincerest condolences to the entire family. I met Ms. Sadie through her granddaughter-in-law, Crystal. We hit it off immediately because she spoke her mind and so do I, and she was one of the most humorous people I've met. Although I haven't seen her in years, I'll never forget our interactions and the void I know this family feels as their matriarch transitioned. Prayers to each of you and abundant peace.

Mrs. Sadie, there are just no words that could express what a great grandmother you were to my children. They were blessed to have you as their grandmother. You lord bed hard and for real. You were such a jokester for those who truly knew you. You never minced your words. You said what you felt....like it or not. But, I will say that you will be so missed and a great void in many lives. Take your rest; you fought a good fight. Love you dearly ❤️
