“ The best Aunt anyone could ever want, one that was always full of smiles and hugs. Had sad it it's to say goodbye but I cherish the familial ties you and my dad established so that we as a family have become strong and united. I am happy that your suffering has been put behind you, but at the same time we weren't ready to say goodbye. I'm so thankful for the great memories I have with you, and Uncle Jacobia and the greatest cousins I could have ever asked for. May you rest in peace free of pain and sorrow.*##imported-begin##Lewis and Jody Keene-Jackson##imported-end##*
