“ Lo, welcomed her uncle Horace new family into the Holley family from the very beginning. I remember being scarred walking down the dirt road with her going to get Grandma her Dr.Pepper soda. She told me she wouldn't let nothing happen to me, and she didn't. Lo made coming down there fun every summer. I will carry with me those times with her. And hope I will always hear her voice. Although I think it was way to soon for u to leave I thank God for my time with you.
Love U always
