“ *I've known Sherman for nearly 30 years. He and I always found a common ground to chat with one another. He loved serving God through his personal ministry with The Lord. He preached when he could and whenever he was called to preach. Heaven has a warrior head there to stand amongst the warriors already in place along the gates of Heaven. He's getting his rest now and will awaken in a new home with no more pain. For now my friend, REST.*
