*Dear Family, I am so thankful to have been able to talk to you all yesterday. I send my Love and condolences to you all. I have so many fond childhood memories of your Mom (I call her Miss Curla Mae affectionately) She always had a listening ear A big heart and gave good advice especially when I was 16 years trying to be grown and leave my home. Your Mom didn't turn me away but told me, I know your parents and you can stay here with me only if they say yes...Sooo you know I went back home. But most of all I felt Loved and safe. Cheryl (lilbit) and I have many memories we will always cherish especially my two perfect neices. I love you all and God bless you
