“ Sidney has meant a great deal to my family and me for over 60 years. He was responsible for providing clean water to thousands of people in eastern N.C. He was a rock that we depended on and he did it with that easy going get it done attitude. We will not be able to attend the service because of the virus, but our thoughts and prayers go out to all of his family and friends. We will miss him greatly, but we know he now resides with God and what a reunion it will be with all those family members who have passed on before him.

RIP Sidney
