“ I worked with her when I was the Detective Division Secretary. She was the nicest person. I loved her zest for life and how she handled adversity straight on and in a no-nonsense manner. She had compassion for victims in her cases and dealt with suspects quickly and efficiently. She told me something I carry with me every day. I hear her voice; I see her face. She was in my office. We were having a discussion over all the colors I would get on my fingernails. I thought at one time maybe it was a bit “much”. She said “Girl, please. Don’t EVER be afraid of color.” I carry that with me through all of life’s struggles.

“ I worked with Stephanie at RPD when I first became a patrol officer. There were few people as happy and as positive as Stephanie Banks-Manuel. Always smiling and laughing and wanting others to do the same. The world is a poorer place with her gone. My condolences to her family and loved ones.

“ I cannot believe my cousin is gone. Stephanie and I played in the Murfreesboro High School band together. Her bright smile and charming personality always touched my heart. I remember reconnecting with her in Raleigh years later. The last time I saw her was during our cousin Nandi's graduation/birthday party in Murfreesboro last year. I had no idea that would be my last time seeing her. Rest In Peace, Sweetie. I loved you as my cousin, fellow band member, and friend, but God loves you best. Sincerely, Cheryl Deloatch
