“ *There's a better place, There's a place beyond this world we know,
A place I've only heard of but someday hope to go-It's not on any
map, there are no roads, to take me there, But it's a place of perfect
peace where hearts are free from care. And through we are very
saddened that you had to leave. One day, we all will meet
again..that's what I believe. When it's time to travel there, I think I'll
wear a smile, I'll say good-bye to those I love, but only for a while,
Knowing there are there are others who have traveled there alone,
Who can not wait to greet us and to whisper "Welcome Home."*
