“ *"Red" was one of the most selfless person I have ever met. She found joy in helping those in need and she was always willing to lend a hand for anyone. She called me "Ma" and that made me feel very good. I miss her and saddened by her passing. Family, keep her positive and happy smile with you always. Ella L Watford and family*

“ Every time I saw you all I can remember was the day we fell off the four wheeler. Boy that was a rough one both of us got up looking like dust bunnies. I will never forget that as long as I live. You rest easy baby girl and flap your wings. Still in shock

“ Takeyla and I went to school together and she was a very sweet young lady when you got to know her. I remember when she had a her catering truck and I would stop and buy me a fish plate. She could definitely cook. She will truly be missed by many.
