“ *To the family of Thelma Miller, I am truly and deeply sad about the passing of Thelma. I work with Thelma for approximately 4 years at CW Williams Health Center. To her sister Theresa may you get peace in knowing she is sleeping in God's care. May the love of God and HIS sweet communion rest in your heart forever more. My Deepest Sympathy,

“ *I met T.J. in 1968. I affectionately refer to her as my "sister-in-law should have been." I am so blessed to have had her as an intimate, loving , and loyal friend. I look forward to the promise made at John 5:28,29. Rest in peace my dear friend.*

“ *I had the pleasure of working with her at Kinston Community Health Center. She was an inspiration to me, she will not be forgotten. She would always say Ms. Williams you need on some lipstick, lol. My prayers are with the family.*

I am sorry to learn of this loss to her family and to her community health friends nationwide. She was a great help to health centers in the state of Georgia and across the country. She will be truly missed. My heart is saddened tonight even though I've just learned of her passing. Blessings to her family and intimate circles.
