“ Thomas was a jewel among men. We hung around with each other at the various car shows in and around the county. Before he bought his Model A, he wanted to buy my wife's '67 Mustang, but she didn't want to sell it. My Nova didn't attract his attention quite as much for some reason. We supported each others when it came to our classic cars. Although I miss him, I know he is sitting at the right hand of God, and mightily rejoicing His praises! Godspeed, my friend!
