My heart continues to be heavy, he was like a son to me, and a true member of my family. It was hard enough for me to go to Ahoskie and not see my son Dwight and now I am still trying to get used to not seeing "Nine". Just knowing that he would come to see me, "Madukes", meant a lot. He will live forever in my heart and I have his obituary right next to his brother's, Dwight. Forever loved and forever missed.

“ As I sit and type this I'm going through and emotional wreck. I loved you like I loved no one before. It's very hard on me and your son but sad to say that no one is having no dealings with our son at this time but a select few. Me and Tavion loves you until we meet again

“ Sending love, hugs, and prayers to Tavion Williams and family. My heart goes out to you as you go through this very difficult time. I am a School Counselor at Tavion's school and have had the pleasure of watching him grow and shine over the years. He is a very great and kind student and I am so sorry he has to go through this. I want him to know that my love and support for him goes beyond the classroom or school. May you find comfort and peace in the memories you have with your dad. Love, Ms. Tann at BPS
