“ I only knew Tiffany virtually, but I think it is important for her family and friends to know that she was a tireless warrior in her advocacy for the student victims of assault, harassment, and discrimination in New Hanover County Schools. She was fearless in the fight to protect all students and to expose the corruption and cronyism that thwarted the prosecution of abusers. I really don't think she ever slept--and I was thinking on Friday when the superintendent FINALLY resigned, in large part because of her due diligence, that Tiffany would have been pleased...but only briefly, and then she would have jumped right back into the work of protecting children. I am eternally grateful to her husband and daughter for sharing her with all of us, and I know that her daughter was and is her greatest legacy. I think she is why Tiffany fought so hard to help other mothers get justice for their children. She completely understood a mother's love.

“ I am so very sorry to hear of the passing of Tiffany. My heart aches for you, as I know your heart is heavy and your sorrow is great. May it comfort you to know that Jesus cares for you and feels your pain. Weeping will only endure for the night, but God promised joy will come in the morning. Hold to God's unchanging hand and know He has his Hand on you and He will see you through.

I wish so much that I could be there with you but time and circumstance will not permit it at this time. But please know you are very much in my thoughts and prayers, and that I love you all very much. I hope you will receive the Letter of Condolence sent to the funeral home as well.

To Gregory, Haley, Sheila & Jonathan, may the Peace of God rest upon you and may He strengthen you with power from above.

With deepest sympathy and much love,
