“ *I am deeply shocked and saddened by Bo's untimely death! Bo and I were first cousins. Our mothers were sisters. The last time Bo and I were together was in 2018 when Bo accompanied our cousin Julie and me to the family cemetery so I could leave flowers on the graves of loved ones. (Julie has since gone on to join loved ones buried in the cemetery.)*

Bo sat on the ground and watched me. After awhile, he said, "I like that you think about everyone! That tells me that, if I were buried out here, you would come with flowers for my grave too." I said, "Yes, indeed, I would!"

So, Bo, rest easy that when I am in the area again, I will surely have flowers for your grave, too, when I visit the family cemetery.

On that note, you will be sorely missed but still thought of and loved forever.

Fly high and swiftly around the sun and back again!
