“ *Every student that has ever walked the Halls of Central High School Middle School, no mistake, should pause, and reflect on the life and legacy of Mrs. Vanzola B. Riddick. How great... sing a song for her, write a poem of her- she has been and is, worthy of our admiration. My name is David A. Boone, and I probably spent more time in her Library, yes, I said her Library, than any male student in a four year period. She would always come to me and say that Mr. Creecy, our Principal, wanted me to recite a poem during our periodic morning gatherings. It was never a short poem, the last being: " The World is Waiting for You ". To shorten this memory, there in her Library I courted my wife, Thelma Eason Boone. The day we bury our Classmate, Lawrence Eure, and visit, our beloved Librarian, Mrs Vanzola B. Riddick, we will celebrate our 50th Wedding Anniversary. We would not do this for anyone else that we know.*

I can hear you working with Moses, trying to get it right. We love you.

Thank you for letting me know your appreciation of my grandmother and your sister, Ethel. I have always admired you. I remember your words at Aunt Willie Bessie's funeral, "I am the only one left." And now you have left us. You all live on on our hearts.*

“ Oh, such wonderful memories! Grew up where she was already a positive force. My High School teacher 1951-1955. She mandated that we memorize the opening paragraphs of the Declaration of Independence. Years later a literacy test required by a Gates Elections Official had me read the opening paragraphs of the Declaration of Independence. I turned it around and recited it to him. Thank you Mrs.Riddick, Please rest easy.

“ Mrs. Riddick was example of a perfect lady with beauty and grace. Giving not only guidance and council when you went to her for help but giving comfort to you the child that your questions were ok to ask. I'm so glad that I was in that tenure of her time in out school system. To the family and our community my sincerely sympathy.

“ Those we love don't go away. They walk beside us everyday. Unseen, unheard, but always near. Still loved, still missed, and very dear.

Vanzola B Riddick is remembered as my English Mentor. Each time I write an article or prepare to speak I still hear her voice reminding me what not to duplicate in the same paragraph or words not to use with each other. She was an outstanding life coach.
