“ *To the family of Vernear Tann, I extend my sincere sympathy and prayers for you all. I know all too well what it feels like and the depth of pain one endures when losing a love one. Vernear was a very special lady, she loved everyone and always had an encouraging word to give. She will truly be missed but her life down here has finally come to an end and now she gets to be with Jesus eternally. God Bless each of you. With condolences,
Carol Hunt*

“ I was saddened to hear the news of the loss of your mother. In this life, if you love, and then you lose that loved one, there will be sorrow and pain. The pain is real. The one we love is gone and the memories and experiences of life together remain. We mourn, but as the Apostle Paul tells us that we are not to mourn as those who have no hope, for in Christ the hope of eternal life is a reality. This expression of sympathy comes with love. May God comfort you in His everlasting arms. May His peace fill you. May His promise of eternal life sustain you. Because Christ lives, we shall live again also.
