“ I remember visiting with cousin Virginia quite a few years back, and she wanted some pork rinds. Andre was trying to tell her that she wasn't supposed to have them and tried to hold them away from her. She snatched those chips so fast it made all of our heads spin!! Lol! Who knew someone her age (in her 90's) would move that fast! She told him he couldn't tell her what she could have, and proceeds to open and eat the chips rightin front of us...Laughing the whole time! She was lightening quick and sharp as a tack. I'm gonna miss you cousin Virginia. May the grace of God hold you in his care. Love always Teisha Council-Gray and Family
