“ To the family of Wendell Edwards:

It is truly rare to find a person of such generosity and compassion. Wendell would share from his garden to his community, but that generosity extended to others outside the area. The fresh vegetables to cancer patients and to the elderly will never be forgotten by the families whose loved ones benefited from his kindness. Wendell would say that "My grandfather always said if I have enough to share I'll have enough for my family." In the words of Maya Angelou "When a person shows you who they are believe them." Wendell showed himself to be a man of great character, high standards and intelligence with an unparalleled love for his family. Wendell was a dear friend and will be missed.

“ To the Edwards family: my heart was sadden to hear about the passing of Charlie. He has been a friend to my family for many years. I will truly miss his laugh, his teasing and most of all his dedication to family and friends. May God be with you all and give you strength.

We take this moment to express our sincere sympathy to you, your children and the siblings of Mr. Wendell Edwards.

How well do we remember his beloved parents, the late Rev. and Mrs. Shirley (Margaret) Edwards and we relish a wonderful friendship with them over the years.

You are in our thoughts and prayers in this hour and the days to come.

We also appreciate the friendship we share with you. Be encouraged and continue to look unto the hills from whence your health comes from.
