“ *I'm apologize for the loss of your mother, your aunt, sister and especially my cousin. To go back a few years, I remember when I first met Willia Mae in Suffolk through(her mother's brother) Uncle Theodore Cooper. I was always amazed at meeting cousins from the Cooper side of the family because growing up I knew very little of my Grandfather Willie Cooper's family, except for my mother's siblings and children. We talked for a long time on our first meeting as I explained meeting her parents(H. Myrick and Joanna(aunt baby T) as a young boy. I remember telling Willia Mae about the Cooper resemblance and she said, I've been told that all my life. Willia Mae we didn't get to see each much in the last year of your life but you will be missed and never forgotten by me.*

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.

“ Willie Mae you will truly be missed as we have been friends since our early teen and we used to win 4-H Club demonstrations together. Thanks to Mrs Banks who took us under her wings and taught us that all things were possible if we trusted and remained persistent. We never lost touch with each other and these last years we would share our memories over the phone and even though there were many times you did not feel well, you wanted to do something to help someone else. My love for you has always remained strong as I know your love for me was the same. May your soul rest in peace where there is no more pain. I know your family will miss you and I will too but for now, we have to bid goodbye so "Goodbye my friend" until we meet again.

Lovingly,  
Mary L. Brett Wright
