“ *Mrs. Scott was my 4th grade teacher. She was so sweet yet firm and had high expectations for all of us. I loved how she made me feel as a student pushing me to do my best. I remember that my mom thought the world of her which automatically made her special to me. She was always a friend of our family and strong in the community as a member of the Silverlites and a Girl Scout leader...just a good person. Ursula and Kim, I extend my sincerest condolences to you and all the grandkids. Losing your mom and grandma is tough! Praying for comfort and strength as you work through your loss. Hoping that sweet memories uplift you for years to come.*
