“ Coy i can't seem to get you off my mind. Ive been missing you so much already. I will miss coming to your house sitting,talking and laughing with you. Or even us taking a ride together with you on your lawn mower and me in my power wheel chair. This summer is not gonna be the same without you. I love you and hate that you had to go. But im glad you're not in anymore pain. Thank you for all that you have done for me to help brighten my days. You will forever be in my heart! Your friend Lala 🥹🥹
