“ I look back on all the great music that God installed into the dramatics. I still get teared up when I hear the song one love ago. Wee G, when he's singing was such a jolley person especially when he throws his hand up in the air while singing, it truly still moves me emotionally. First of all let me thank God for all of the Dramatics in the group. You'all were truly a gift from God to us. And all of you who are gone may you rest in peace. And all of you who are still here may you continue to be Blessed. Like the song says, I can't get over you I truly can't. I love you all for the men God intended you to be. Again thank you thank you. And last but surely not least L.J Reynolds you have a voice that just won't quit. Your voice is our of this world.
