“ Mizzelle it was an absolute honor to serve with you as your Chief Warrant Officer. You were always that Soldier that everyone could count on, just a all around go getter. When you came into the shop I remember thinking to myself, “who’s this squared away Soldier “. The uniform was always straight. You will truly be missed! #GSE

“ It was with great honor and a privilege to have served as your commander. You’ve served honorably and your spirit will remain within the ranks of those whom you’ve served with. As I reflect on your PFC days I have had the opportunity to see you blossom into an amazing Soldier and better yet a better person. Never making any excuses, being a team player, you flawlessly influenced me and my 1SG to become better leaders. You didn’t have to say much because you were about business. That’s one thing I admired about you..I know your family must be proud of all of your accomplishments and the man that you have become. So am I. Until we meet on the high ground. Carry the Guidon Soldier.

Love, CPT Craig D. Davis

“ I may have only known you for a short time, but your high level of discipline, immaculate character, selfless devotion to your work and those around you is a high bar you set. I always knew I could rely on you to accomplish anything and always strive to become better. Your impact on everyone that encountered you was far greater than I could ever express in words. The Blacksmith Company family lost one of its best members, but we will never forget you or your positive contributions to each of us. Rest in Peace, SGT Mizzelle!
