“ It's been 3 years, son. And I am still missing you. You are always in my heart and on my mind. I loved you then, I love you now, I love you forever. 🙄😞😭💔 Continue to rest in Heaven.💔

I work at USP Lee in VA. I know Will bc our SORT teams trained and worked together on deployments. I was with him in the keys after hurricane Irma and in Puerto Rico after hurricane Maria. We became good friends after learning we both served in the marine corps and had alot of common interests like fitness for one. I spent many hours discussing marine corps experiences, fitness ideas, mud races etc. I always looked forward to seeing Will when our teams would get together to train or deploy. He was a great man and is sorely missed.

My deepest sympathies to the family of Mr. Shaw. He was an awesome person that I had the privilege of working with. There was not a day or time that when you saw Mr. Shaw that he did not greet you with pleasantry and a smile. Mr. Shaw's passing has left many in tears, disbelief and pain. I pray that God comfort and cradle the family members, friends, and co workers within his arms.

Will, Chester, Charles, DJ, Mike, Many others, and Myself have been friends and road dogs for well over 25 years. This is not how it's suppose to be, but hopefully he is at rest!

I can remember all of the times Will and I would be in the GYM pushing all the weights up while Chester looked in awe, LOL! Seriously though, we all lived in the Gym and loved out doing each other, it was so fun! I remember pulling up to their house to pick them up, making Maxine mad pulling up to the house blasting all that music shaking the house with the Bass, LOL!

The best was my dad pulling up to the house and all 3 of use running out the back because we were doing something that we shouldn't have been doing! Well...I can talk all day...Will was family, a friend, a brother, a classmate, a MARINE! A DEVIL DOG! He was "BEAST MODE"
