“Daddy, losing you on May 7, 2025, has left a space in my heart that nothing can ever fill. You were my rock, my guide, my protector, and the one who always had the right words—even when I didn’t know I needed them.

I will always love you. Your strength, your laughter, your presence will never be forgotten. Until we meet again, rest easy. I will carry you forever in my heart.

Love always,

Your daughter, Carla
