“ God bless and comfort Willies loved ones. I was a single mom with 3 kids,working 12 hr shifts. My friend, Willie, helped me take my trash to the di.p and occasionally cut the grass. I appreciated the help. He was a great friend

“ *Solid friends are hard to find. I am honored to have had Yardley as a friend and knowing he considered me as his. Yardley was a man of few words, gentle and kind. I met Yardley at Target and worked with him for 19 years. Yardley is the best partner to have on the team and I told him that often! No matter how challenging the work day was; with Yardley as my partner, we were going to get through it together, in peace and manage to crack a joke to get a good laugh in. He always made the work day pleasant and I looked forward to telling him to have a nice weekend at the end of every work week. Even if we were not working together; if Yardley was just passing by my work area, he would pick up a load just to make my load lighter. Yard Yard and Yard Dog, the nicknames the T3800 family affectionately called him, you will truly be missed. Truly one of a kind. God bless his loving wife, daughter and family as we mourn with you. Lee Lee made a final loop around the warehouse for you Yard Yard. Rest in peace my dear friend. 💔🙏*

“ *I wanted to extend my deepest condolences on the passing of Yardley. He was truly one of the hardest working individuals I've ever had the privilege to know. His dedication and work ethic earned not only my respect, but the admiration of everyone around him.*

*More than that, Yardley was kind — the kind of person who led by example and reminded us all how to treat others with decency and respect. His presence brought warmth and integrity to every room he was in, and his absence will be deeply felt by all who had the chance to work alongside him.*

*Please know that you are in my thoughts during this incredibly difficult time. Yardley will be terribly missed, and his memory will continue to inspire me.*

*With heartfelt sympathy,  
Kelli Gomer*
